About GREENWICH POLITICAL ECONOMY RESEARCH CENTRE - GPERC

GPERC brings together an innovative group of researchers who want to expand the knowledge frontier by challenging orthodoxies in economic and social science research. The aim of GPERC is to encourage interdisciplinary analysis of the linkages between institutions, power structures and economic dynamics with a view to:

- Enhance knowledge of the pressing problems of our time such as inequalities, unemployment, climate change, energy crisis, housing crisis, care deficit, ageing, productivity, innovation, and technological change;
- Expand the range of evidence-informed and progressive options for policy and practice.

Please visit our website for the [Greenwich Papers in Political Economy](#), GPERC [Policy Briefs](#), other publications, and [forthcoming events](#).

GPERC also has a research collaboration with the Foundation for European Progressive Studies (FEPS).
