Autumn 2024

Luis De Abreu
Shirley Coen
Paula Holt MBE
Dame Alison Peacock
Suzanne Sweeney OBE
Troy Townsend MBE

Luis De Abreu

Luis De Abreu joined Bird Theatre as a drama tutor in 1996, having trained under Doreen Bird – the institution’s founder – as an original member of her theatre company. He was promoted several times, becoming Bird College’s Deputy Principal and Artistic Director in 2005 and Principal and Artistic Director in 2022

Luis’s enthusiasm, focus and dedication have been instrumental to ensuring Bird College’s success for more than two decades. Luis has consistently inspired excellence, versatility, and individuality in his students. Together with Shirley Coen (CEO) Luis has championed

diversity, introducing initiatives that ensure students are able to overcome any obstacles they may face in the future.

Luis is also a Trustee of the Doreen Bird Foundation and Executive Director Bird College.

Shirley Coen

Shirley Coen began her career as an accountant, joining Bird College, Sidcup, as its Finance Director in 1998. Since 2005, Shirley has served as the college's Principal and CEO, overseeing the preparation of thousands of students for successful careers in performing arts.

Shirley is interested in managing change in education. During Shirley's time at Bird College it has grown from a small, specialist dance college to a conservatoire with more than 600 full time students. It has moved to a new campus with state-of-the-art facilities, and has increased its turnover six-fold.

Bird College delivers BA (hons) courses in professional dance and musical theatre, validated by the University of Greenwich. Under Shirley's leadership the college has built a reputation for high quality provision and student numbers for the course have grown from 30 in 2012 to 126 in 2021.

Paula Holt MBE

Professor Paula Holt MBE started her career as a general nurse before a post graduate pro-gramme at the University of Greenwich opened up the world of mental health nursing.

She served in the army for eight years, heading up mental health services and undertaking op-erational tours in Bosnia. Back in the NHS she led a drug and alcohol team, a mental health ser-vice for offenders and developed a mandated drug treatment programme for offenders.

After moving into higher education, Paula became Pro Vice-Chancellor and Dean at the University of Derby, where her dedication to the student experience shone through.

Paula champions widening participation and social mobility through all she does. She is a senior adviser at the Nursing and Midwifery Council, director of the Soldiers Arts Academy and patron of a charity supporting veterans struggling with alcohol misuse

Dame Alison Peacock

Dame Alison's career has been underpinned by the ethos of 'learning without limits'. She has applied that to her work in primary and secondary education, as a headteacher, as an adviser, and in the professional body for teachers - the Chartered College of Teaching. As the College's Chief Executive she acts as a passionate advocate for the profession and champions academic rigour in teacher training.

She was recognised nationally for transforming the fortunes of The Wroxham School, supporting it to become an outstanding institution which hosts delegates

from around the world. She also played a key role in the Cambridge Primary Review, a landmark review of teaching in England.

She has given powerful guest lectures to students and staff at the University of Greenwich, where our own vision of 'Education Without Boundaries' complements her inclusive ethos.

Suzanne Sweeney OBE

Suzanne Sweeney graduated from the University of Greenwich with a degree in health and social care. She now works as Network Director for the London Neonatal Operational Delivery Network, combining her interest in child health with a role that brings her into contact with babies and families at a vulnerable time in their lives and ensures they receive care from the right hospital at the right time.

Suzanne has worked for the NHS for nearly 20 years, beginning her career in screening services before moving to major trauma, then finding a passion for neonatal care.

Her current work focuses on transforming neonatal services to improve health outcomes for London's smallest babies.

Suzanne also volunteers for the Sea Cadet Corps, and acts as Trustee for the Bexley and Lewisham Sea Cadets.

Troy Townsend MBE

Troy is an anti-racism worker, broadcaster and former footballer and coach. He worked at Kick It Out – the organisation fighting discrimination in football – from 2011 until summer 2024. He began there as a volunteer and left as Head of Player Engagement, impressing with his dedication to challenging racism, fearlessness in calling out injustice, and tireless support of others.

With a passion for nurturing talent, Troy has helped thousands of young people to learn and develop by delivering Kick It Out's education programmes to Premier League and Football League clubs across the country.

Troy also shares his warmth and expertise on podcasts including *The Guardian Football Weekly* and *Whisper it Loudly*.

The service is free, and you will still be able to use our **Target Connect platform**, which is your one-stop shop for accessing coaching appointments, events, graduate jobs and more! "I was delighted to take part in the Greenwich Employability Service's Mentoring Scheme after I graduated. As I continued my education and pivoted in my aspirations from Digital Marketing towards User Experience Design, I found the need for additional support from a professional who could bring me up to speed in the field. I had heard great things about the Mentoring Scheme at Greenwich and its impressive network, so I didn't hesitate to apply. I was matched perfectly with a Designer from JPMorgan and I was invited to their offices for an official launch and networking opportunity. It felt great to catch up with familiar faces and make new connections, which made me feel as part of the Greenwich community again."

Djeylan Karadayi
BA Advertising and Digital Marketing Communications
(2023 Graduate)

"Having access to Target Connect was extremely helpful for my job hunt. It allowed me to easily check my CV and see if it was tailored to the job description, as well as practice psychometric tests. The fact that I had access to a variety

of psychometric tests enabled me to pass the real ones easily and move to the next step of the recruitment process. Ultimately, having access to these psychometric tests was extremely beneficial in securing my graduate role in Auditing, and I would highly recommend future graduates to make use of these platforms."

Victoire Briatte
BA International Business with Language (2023 Graduate)

The Greenwich Employability Service's Mentoring Scheme gives priority to current students and recent university graduates who are within two years of graduating but are not in full-time employment.
