End of Visit

Please remember...

- There will still be students on campus when you come to visit, so make sure to respect the space - particularly the library and study spaces.
- If you will be attending solo, we will require you to bring contact information for an emergency contact (e.g. a parent), including a phone number. Please reassure them these details will be destroyed straight after the event to protect their privacy.
- You can download our SafeZone App from the app store, this allows you to request First Aid, Security Support, etc. as soon as possible.
