We would like to remind you that **all students must make their deposit and tuition fee payments exclusively through [Convera](#)**. We are still being informed that some students are using direct bank transfers, and agents are sharing bank details. This practice is causing significant delays in our ability to process refunds. If we become aware of agents repeatedly advising students to make payments via direct bank transfer, we will be in contact with you directly and restrictions may be placed on your agency contract or commission.

As an agent, it is also crucial that you do not make payments on behalf of the students. Students must make their payments themselves via [Convera](#). Payments made through Convera can take up to five working days to reflect in the student's account. To track payments, students can use the ['track your payment'](#) feature on the Convera website.
