Registration:

If you haven't already, you will need to complete your registration with the university.

Prior to registering, we recommend watching our registration video guide which outlines the whole process: [Registration](#)

The first step is online registration which you should have received an email about (if you are yet to receive this then please contact the student centre on studentcentre@gre.ac.uk). Once online registration has been completed, you can then book an appointment with the student centre for document checking and collection of your university ID card.

Please note that you must have a student ID card to gain access to university buildings. Please ensure that you have completed registration before sessions begin.
