

Transparency notice

- University of Greenwich and John Smith's have set up a joint scheme - Aspire@Greenwich - to help you make the very best of your time at the University by improving access to the learning tools you need to support your studies. If you are an eligible new student you will receive funds loaded on to an account that you can use with John Smith's & the Students Union. You can use your Aspire@Greenwich funds instore & on the website www.greenwichaspire.co.uk/ to help with the purchase of your required textbooks and other learning materials. You can also spend funds to join clubs & societies within the Students Union.
- By participating in the Aspire@Greenwich scheme, the university will share your information with John Smith's for the purpose of administering the Aspire@Greenwich Scheme. This information includes your contact details e.g. student number, student name & University email address, and academic information e.g. year of study, school of study, degree name.
- In this agreement, University of Greenwich is the Data Controller & John Smith's is the Data Processor.
- Your information will be used for the following purposes:
 - i administration of the scheme;
 - ii monitoring of the scheme;
 - iii providing you with relevant scheme updates and/or marketing material.
- University of Greenwich will collect and use information about your Aspire@Greenwich account. This information includes information about the use of your Aspire@Greenwich scheme and transactions in the John Smith's shops & website.
- Your Aspire@Greenwich data may also be combined with other data which the University holds to identify meaningful patterns, with the sole intention of providing effective personalised support to improve your learning experience.
- We will only share your information within University of Greenwich (staff only) and the John Smith's Group. Your information will be processed and held securely in accordance with the Data Protection Act 2018, the UK's implementation of the General Data Protection Regulation (GDPR) & University of Greenwich's Codes of Practice.
