

Important information

Conditions and guidance on the bursaries and scholarships available from the University of Greenwich

This should be read in conjunction with the information on individual bursaries, scholarships & discounts available on the University's Student Finance web page.

Students are permitted one scholarship or bursary per academic year at the highest value:

Exceptions:

- The Greenwich Bursary and Accommodation Bursary
- Current Care Leaver Bursary awardees
- The GREat Skills Scholarship
- The Uni Tool Kit Scholarship
- The GBS Dean's Springboard Bursaries and The Greenwich Progression Bursary
- Recipients of external Philanthropic Scholarships or Bursaries may receive these awards alongside UoG funded bursaries, as these funding sources can be combined.

The Greenwich Hardship Fund and supporting funds (Digital Access, Energy Support Bill and Commuter Bursary) can still be applied for provided the full eligibility terms are met.

General – all awards

1. Where possible and unless otherwise stated in the individual award criteria below, payment of awards:
 - a. Will not be made where a student fails to input their bank details in the student portal where payment is a cash award made by the University directly; or where a student fails to input their bank details in their online student support account with Student Finance England.
 - b. Fee Waivers will be credited to students' tuition fee prior to commencing registration per academic year. Fee waivers are only applicable to a full year fee (pro rata part time). It will not be applied if a student has interrupted or withdrawn prior to the third term.

Unless stated per award fee waivers will be pro rata in the event of interruption or withdrawal as per Regulations on Student Financial Matters Academic Year 2024/25, section 6.

2. Students who fail to progress successfully to the next stage of their programme of study:
 - a. Will not receive an award for the repeat period;
 - b. May have their award reinstated upon successful progression, provided the student still meets the set eligibility criteria for the individual award or unless otherwise stated in the individual award criteria listed below.
3. To qualify for awards, students must not owe any debt to the University. Furthermore, if the University does not receive the appropriate fees during the academic session when they are due, any award granted before the student incurs debt may be revoked and, if possible, recovered in the next academic session. If debts are paid off by June 30th, any eligible awards will be provided by July 31st upon request.
4. Where a bursary or scholarship is made in the form of a tuition fee waiver:
 - a. Where the student is in receipt of a tuition fee loan, the fee loan entitlement will be reduced automatically by the University to Student Finance England in the final term each academic session.
 - b. Where the student is a self-payer; Undergraduate (UG) fees are due to be paid in the usual format of either in full or in two instalments at registration. The fee waiver will be applied prior to registration, and if applicable the 2.5% prompt payment discount will be recalculated. Students can then apply for a refund for any excess balance:
Postgraduate (PG) fees will be remitted with the appropriate fee waiver prior to online registration. The remaining tuition fee balance, after applying the fee waiver, will be payable in instalments according to the format outlined in the Regulations on Student Financial Matters for the 2025/26 academic year, section 7. If applicable, the 2.5% prompt payment discount will only apply to the fee due from the student after the waiver is applied.
5. Applications received and/or assessed up to and including the 31st of July will be considered for an award **unless** otherwise stated in the individual award criteria.
6. Awards **cannot** be made for previous academic years. If students do not apply, inquire about their eligibility, or meet the eligibility criteria during the year they were eligible, or if Student Finance England has not fully assessed

them, including a 'Final' household income assessment by July 31st, they will not be eligible for backdated awards.

7. Where documentary evidence is required to support an application, documents must be received at the same time as the application form or within 28 days of submission. Any form submitted without the required evidence or not received within 28 days will not be considered. In both cases, all documentation must be received by the 31st of July.
8. Where applicants are directly invited to apply for awards, the application form will be emailed to the eligible students' **University email address**. Students that fail to apply within the given timeline or who submit an incomplete or insufficient application form, will not be considered.
9. Bursaries and scholarships are not payable in placement/sandwich years, unless otherwise stated within the individual award description.
10. The University's decision on bursary, scholarship, and discount eligibility is conclusive. The University will not correspond further with students after notifying them of their ineligibility for a specific bursary, unless there is a change in circumstances that would alter their eligibility status.
11. This guidance is reviewed regularly and is subject to change as a result of any changes to specific processes and/or provision of awards from the University or through philanthropic activities.
12. A Fee Waiver is a deduction of the full tuition fee prior to the start of registration.
13. Cash Bursaries are transferred directly to the student's bank account in the UK. The award notification will specify the number of instalments and the dates they will be paid.

Specific criteria for individual awards

The criteria for each award are listed in alphabetical order. Please note that some awards are only applicable to students on certain entry cohorts.
