Inclusive

We strive to ensure our events are accessible and inclusive for all.

Faith facilities including a prayer room and quiet space are available at the event in the Pilkington Building.

Please speak to a member of staff if you require any assistance.

Please let us know if you or one of your guests have any accessibility requirements or need additional support on the day. The team can be contacted by email on: opendays@gre.ac.uk

Impactful

At Greenwich, it is our mission to deliver Education Without Boundaries, supporting students to achieve their ambitions regardless of their background.

Our expert staff are on hand at all of our Open Days to provide guidance and support to prospective students. If you have questions about scholarships, bursaries, apprenticeships, contextual offers, support for care leavers or assistance for students with a disability, please do speak to our teams who will be happy to help.

Sustainable

We are committed to making our events more sustainable in line with the University's Net Zero by 2030 strategic plan.

Please help us to achieve this by:

- Exploring available public transport options to travel to our Medway campus.
- Returning your lanyard to one of our designated recycling bins.
- Bringing your own reusable coffee cup, there is a 30p charge for disposable cups in our cafés!
- Planning your day in advance using your digital schedule. We don't provide paper copies of schedules at our events, but you will be able to use our QR code posters to download a copy of your schedule to your device.
- Using our inter-campus bus service to visit our Greenwich Campus.
