

## Welcome to the MSc Global Public Health at the University of Greenwich!!

On behalf of the entire faculty, I extend a warm welcome to the University of Greenwich and, specifically, to the exhilarating MSc Global Public Health programme. This letter includes important information and dates for your university start, please read it carefully.

1. The university's **January Big Welcome will start on 5<sup>th</sup> January 2026**. Big Welcome is a set of in person and online activities that the university prepares for incoming students to support your transition. Expect to see more emails about these events in your inbox as we get closer to January.

### **2. MSc Programme In-Person “Big Welcome Day”**

The **MSc Global Public Health Programme Big Welcome Day (induction day) will take place on Monday, 12th January 2026, from 13:00pm to 15:30, beginning in King William Room KW002, on the Greenwich Maritime Campus. Attendance is required for MSc students, please plan to arrive a little early so that we are able to start on time.**

This day will include a series of sessions designed to introduce you to the programme and provide key information and resources to support your studies.

### **3. Registration**

You should have received a link for online registration. If you haven't completed this process yet, please visit <https://www.gre.ac.uk/welcome/registration/online> for comprehensive guidance.

By Friday 30 January, you should complete your online registration and document checks. This is also the suggested latest date to arrive in the UK to begin your studies.

Please note that online registration will close on **Friday 6 February at 09:00**. The final deadline to complete your document checks and face-to-face registration—including collecting your student ID card—is **Friday 6 February at 16:00. Please complete your registration and checks well before then!**

For details on key dates, please visit: <https://www.gre.ac.uk/welcome/registration/online>

### **4. Teaching Timetable for Term 1 – Starting Week of January 12, 2026**

For the 2025-26 academic year, all lectures and seminars will be conducted in person, unless there are changes in government and university guidance. You can access your timetable by logging into the Greenwich student portal, selecting "Timetables" from the upper left menu, and clicking on "My Timetable." Any on-campus teaching for your program will take place at Greenwich University, Maritime Campus, Old Royal Naval College, Park Row, London SE10 9LS.

Please review your timetable. This will allow you to make any necessary arrangements, such as travel, childcare, or other commitments, in advance of the start of term. Further details about your timetable will be shared during the **“Big Welcome Day” on January 12**.

### **5. Paying Your Fees**

For those eligible for student funding, if you haven't applied yet, we strongly urge you to do so without delay. Information about student finance and fee payment can be found at <https://www.gov.uk/funding-for-postgraduate-study>

<https://www.gre.ac.uk/finance/fees/how-to-pay-your-fees>

## **6. Bursaries and Scholarships**

New entrants have the opportunity to apply for bursaries and scholarships. For details on eligibility criteria, please visit <https://www.gre.ac.uk/finance/funding-your-studies/scholarships-and-bursaries>

## **7. Accommodation**

If you require university halls of residence or assistance in finding accommodation, please refer to <https://www.gre.ac.uk/accommodation>

## **8. Academic Tutor**

At the commencement of the session, you will be assigned an academic tutor. Your academic tutor, a member of our academic staff, will offer academic support throughout your time with us. They should be your primary point of contact for any academic questions or concerns.

Wishing you an enriching and successful academic journey.

**Dr Nadya Belenky**

**Programme Leader, MSc Global Public Health**
