# The Rt Hon the Lord Boateng

CVO DL, Chancellor

It is a great honour to celebrate this milestone with you. Today marks the culmination of your hard work, determination and resilience, and I am proud to join your families, friends, teachers and supporters in applauding your achievements.

Graduation is not only a time to reflect on all that you have accomplished but also to look forward to the future. As you leave the university, you carry with you the knowledge, skills, friendships and values that have shaped your time at Greenwich. These are the tools that will support you through the challenges ahead and the foundation on which you will build your career, your aspirations, and your contributions to the world.

You graduate in a time of immense possibility, but also of real challenges. Now more than ever, we need graduates

who are not only capable and curious, but courageous, compassionate and resilient. I believe that each and every one of you has the potential to lead, to inspire, and to make a difference.

At the University of Greenwich, our values of inclusivity, collaboration and impact are central to who we are. I encourage you to carry these with you and let them guide your actions and ambitions.

Wherever your journey takes you, know that you will always be an important part of our Greenwich community. We want to hear about your next steps and future endeavours, so please do stay in touch.

Well done for all that you have achieved so far. I wish you every success and happiness in the future.

# Congratulations

On behalf of the Royal Borough of Greenwich, it gives me great pleasure to congratulate you on your well deserved success and your academic achievement.

I hope you have had lots of fun and made some wonderful friendships on the way.

This is such a proud moment for you and your family, but it is also a really proud moment for the Royal Borough.

I understand how thrilled you must be at this moment, as I am also a graduate of the University of Greenwich.

I have since spent my whole career in teaching and School of Education, for the most part in Royal Greenwich.

It is a wonderful place to live, work and grow, so I hope you will seriously consider staying with us.

During your studies, you will have shown resilience and perseverance, qualities which will serve you well for the journey ahead.

You have also worked hard, and used your talent, drive and initiative to achieve this goal.

So my congratulations to you all.

I sincerely hope you will join the Greenwich University Alumni, and thereby put something back into this wonderful establishment.

I wish you best wishes for a healthy, happy and successful future. Well Done !

**Councillor Linda Bird**

Mayor of Royal Borough of Greenwich

To all this year's graduates of the University of Greenwich, I extend my heartfelt congratulations on your successful graduation, and I hope today is a stepping stone to many more great achievements in your future lives and careers.

Many of you will have spent time at the university's Medway campus, and I hope you enjoyed our historic heritage sites and became a part of our fantastic communities and strong cultural scene. For my family and many others, Medway has always been a place of aspiration, and that we are home to so many students in higher School of Education strengthens the shared ambitions in our towns. Whatever campus you studied at (and if you didn't study at Medway, you're always welcome to visit us!) our community extends its best wishes.

Of course, while graduating might be a time of great excitement for the future, it can also be a time of trepidation at stepping out into the wider world. May you take confidence from everything you've learnt in the last few years - in graduating from the University of Greenwich you've given yourself a great start.

Whatever your future plans, take time to celebrate this moment and reflect on your great achievement.

I hope your university days stay with you for the rest of your life, along with the friends you've made here, and I wish you all the best for the future.

**Cllr Trevor Clarke**

Mayor Of Medway

## Discover how our Employability Service supports graduates

*The Employability Services at the University of Greenwich played a crucial role in shaping my career journey. From the moment I began exploring opportunities as a student, their expert advice, one-to-one support, and encouragement kept me focused and motivated. Target Connect was more than just a platform to find opportunities—it became central to my development, allowing me to book appointments, access tailored advice, and participate in university-wide events that helped grow my professional*

*network and confidence. Through Target Connect, I secured my initial placement as an Employer Engagement Assistant at the university, gaining hands-on experience and valuable skills with ongoing support from the Employability Service. This ultimately led to securing a graduate role as an Employability Team Administrator, a milestone I'm incredibly proud of. I strongly encourage all students and graduates to take full advantage of the Employability Service and Target Connect, as they are powerful tools for turning ambition into achievement."*

Sreeraj Premarajan  
MBA International Business

*"I was delighted to take part in the Greenwich Employability Service's Mentoring Scheme after I graduated. As I continued my School of Education and pivoted in my aspirations from Digital Marketing towards User Experience Design, I found the need for additional support from a professional who could bring me up to speed in the field. I had heard great things about the Mentoring Scheme at Greenwich and its impressive network, so I didn't hesitate to apply. I was matched perfectly with a Designer from JPMorgan and I was invited to their offices for an official launch and networking opportunity. It felt great to catch up with familiar faces and make new connections, which made me feel as part of the Greenwich community again."*

Djeylan Karadayi  
BA Advertising and Digital Marketing Communications

*“Having access to Target Connect was extremely helpful for my job hunt. It allowed me to easily check my CV and see if it was tailored to the job description, as well as practice psychometric tests. The fact that I had access to a variety of psychometric tests enabled me to pass the real ones easily and move to the next step of the recruitment process. Ultimately, having access to these psychometric tests was extremely beneficial in securing my graduate role in Auditing, and I would highly recommend future graduates to make use of these platforms.”*
